Bikers Ride for Foster Children Charity Event to Raise Funds

(Fairfield OH, July 31, 2010) Butler County Foster Child Enrichment Council in collaboration with Tri-County Harley Davidson hosted the 1st Annual Charity Bike Ride to benefit foster kids. The event consisted of a 63 mile bike route from the Tri-County Harley Shop to Sebald Park in Madison Township and back. It also hosted live bands, food, silent auction, split the pot, a raffle drawing and Ben-Gal cheerleaders.

The event was a huge success with 85 bikes and a large group participating in the silent auction and raffle. A great time of fun and celebration was had by all that participated and the event raised approximately \$8,000.00 to benefit the foster children of Butler County. The lucky raffle ticket winners were as follows: Grand Prize 2010 Harley Dyna Glide winner was Maudie Justice, the \$500 gift card to Harley Davidson was Amy Hensley and the \$250 gift card to Harley Davidson was Jason Alaniz. Congratulations to all of our winners!

The Foster Child Enrichment Council is a not for profit organization that works with Butler County Children Services, in order to benefit the foster children of Butler County. This organization helps to raise funds for items such as prom, graduation, special needs camps, sports activities, school trips, musical instruments and lessons along with Christmas gifts and much more. There are more than 350 Butler County children living in foster homes or some other setting because of abuse and neglect.

The Foster Child Enrichment Council would like to thank Tri-County Harley Davidson and all of the community partners and sponsors that helped to make the event such a huge success. Without their help and generosity we would not have been able to make this event such a huge success! We look forward to seeing everyone again next year.
