

Butler County Children Services (BCCS) 2008/2009 Information Session Schedule

Are you considering becoming a foster or adoptive parent, but you're not quite sure. Do you have questions or concerns about the process or the children you would be caring for. Then plan to attend one of the informal information sessions listed below. These sessions will give you a basic overview of foster care and adoption and give you an opportunity to ask questions and interact with others interested in helping abused and neglected children.

Information sessions are not required but many families find the information helps them decide if foster care and adoption is right for their family.

Please register by calling 1-800-792-3854 or click [here](#) to register online.

We look forward to meeting you and your family.
