Fostering or adopting a child that has been abused or neglected is a challenging and exciting undertaking. BCCS wants to provide the training and support you and your family needs to be successful. The following schedule of pre-service training is required for all families who wish to become a foster or adoptive parent. If you plan to attend preservice training:

- Please register by calling 1-800-792-3854, or click [here](#) to register online.
- To become a foster or adoptive parent, you must complete all classes in a round. In the case of couples, both you and your significant other must attend all classes. If you miss a class, we will work with you to make the class up.
- You cannot begin a round of training after the third class and you cannot arrive more than 15 minutes late for any class.
- We regret we cannot provide child care, you will need to make arrangements to leave your children with a caregiver while you attend class.
